The more races entered the higher the potential to earn points. All PRC Races will count including any possible dates added as the season progresses
8. Points will be accumulated on a rider. But a rider may register more that one horse to be eligible for prizes. A rider may ride as many horses as they choose. If a rider places on more that one horse, the riders' highest point earning horse will be horse #1; the second highest point earning horse will be horse #2 and so on.
9. Highpoint at end of series will win the saddle. There will be five runner-up prizes for 2nd to 6th place finishers in the Series. Saddle and any other prizes will be awarded at the end of the last race. Winners must be present to receive saddle or prizes will go to the next riders in line. Winners must be in full western attire for sponsor photos or saddle and/or other prizes will go to the next rider in line. Western attire will be based on the BCBRA rules including a long sleeve shirt, hats, jeans etc.
