

Peachland Riding Club Presents
CANADA DAY RACE & ROPE

And

Peachland Wine Country Futurity & Derby

PARKING, CAMPING AND STALLING NOTES:

Please note parking at Peachland is very tight! We have awesome volunteer parking helpers to get everyone squeezed in as close together as possible. Please be patient when you get here.

All self-penning has to be in the treed areas and areas where we cannot fit a truck/trailer. Most of those areas are nicely shaded.

Our neighbor lets us park in his field, so we have to take extra care when cleaning up penning and camping spots at end of weekend.

We ask all participants to please clean up your space.

ALL AVAILABLE STALLS AND PENS ARE NOW BOOKED!
