

PEACHLAND RIDING CLUB
High School Rodeo and Junior High Rodeo

2017 CANADA DAY ROPE & RACE

Dear Sponsor,

This July 1 & 2, 2017, the Peachland Riding Club will again be hosting our annual Canada Day Events including a 2-Day Barrel Race and Team Roping on the Saturday and Sunday, all on site at the Peachland Riding Club grounds.

Growth and support of our youth rodeo and equine programs in Peachland relies on the involvement and contributions from sponsorship and fundraising and has allowed us to continue to grow these outstanding programs and events over the past many years.

Some of our outstanding programs include, a season long Gymkhana Series that caters to the whole family and ends with a year-end awards banquet; a High School Rodeo for kids in grades 9-12; a Junior High Rodeo for kids in grades 6-8 as well as our upcoming Canada Day Barrel Race and Team Roping event.

Any and all support is always greatly appreciated. Sponsorship support includes arena signage displayed throughout the weekend or throughout the year for larger sponsors, PA Announcements and Event Association with your name tagged to a specific event and award. (IE: "Accent Fireplaces" PeeWee Barrel Racing).
